

## **Major Proposals to Strengthen the Nuclear Nonproliferation Treaty: A Resource Guide**

By Claire Applegarth and Rhianna Tyson  
Arms Control Association and Women's International League for Peace & Freedom

The nuclear Nonproliferation Treaty (NPT) set into place one of the most important international security bargains of all time; states without nuclear weapons pledged not to acquire them, while nuclear-armed states committed to eventually give them up. At the same time, the NPT allows for the peaceful use of nuclear technology by non-nuclear weapons states under strict and verifiable control. The report outlines a variety of proposals that would strengthen the NPT regime in light of challenges the treaty currently faces.
